●Vous avez la possibilité de réaliser un montage à droite ou un montage à gauche. Notre notice d'installation décrit un montage à gauche. Si vous voulez réaliser un montage à droite, il vous suffit d'inverser le montage.

●This cubicle can be installed either left or right hand. These installation instructions show a left hand installation.

●Puede realizar un montaje a la derecha o un montaje a la izquierda. Nuestro folleto de instalación describe un montaje a la izquierda. Si desea montar su cabina a la derecha sólo tendrá que realizar el montaje al contrario.

●Avete la possibilità di effettuare il montaggio a destra o a sinistra. Il nostro manuale descrive il montaggio a sinistra. Se volete realizzare il montaggio a destra è sufficiente invertire varie fasi di montaggio.

●U kunt de douchecabine rechts of links monteren. Onze handleiding beschrijft de links montage van de cabine. Keer de montage om als u de cabine rechts wilt monteren.

●Sie haben die Möglichkeit, eine Montage auf der linken Seite oder eine Montage auf der rechten Seite durchzuführen. Unsere Montageanleitung beschreibt eine Montage auf der linken Seite. Wenn Sie die Montage lieber auf der rechten Seite durchführen wollen, müssen Sie nur den Montageprozess umkehren.

FR - En raison du transport et des diverses manipulations du produit, nous vous conseillons vivement de vérifier le bon serrage de chaque connexion, afin d'éviter tout problème de fuite lors de la mise en eau.

EN - Due to transportation and various product handling issues, we strongly recommend that you check that each connection is properly tightened in order to avoid any potential leakage problems when put under pressure.

ES - Debido al transporte y a las distintas manipulaciones del producto, le aconsejamos comprobar que sujeción de cada conexión sea correcta, para evitar los problemas de fuga una vez se conecte con el agua.

IT - A causa del trasporto e delle diverse manipolazioni del prodotto, vi consigliamo vivamente di controllare il buon serraggio di tutti i collegamenti allo scopo di evitare perdite d'acqua.

NL - Door het transport en de diverse logistieke handelingen met het product dient u elke slangconnectie (koppeling/aansluiting) extra te controleren op waterdichtheid alvorens u de douchecabine definitief plaatst. Hiermee vermijdt u mogelijke lekkages nadat het water op druk wordt aangesloten.

D - Nach Transport und Produkt-Handling empfehlen wir Ihnen dringend, jede Verbindung auf Dichtigkeit zu überprüfen, um beim Einlassen des Wassers jegliche Leckagen zu vermeiden.
